Sheep & Goat Pellets

For Sheep and Goats of All Ages for Growth, Breeding, or Maintenance.

Purpose :

Sheep & Goat Pellets are formulated for growth, breeding and maintenance of sheep and goats. The proper blend of high quality protein sources, energy, minerals and vitamins are carefully blended together to produce this balanced ration.

Features :

- Ammonium Chloride is included to help prevent urinary calculi problems.
- Made with select ingredients that must first pass our strict quality inspection standards before being accepted for use.
- Reduced starch and carbohydrate levels in an easy to digest formula helps prevent instances of acidosis or ulcer formation.
- Major minerals are balanced through proper formulation to provide the correct levels of calcium and phosphorous for breeding and bone development.
- “Copper Safe” formula provides the necessary level of copper for sheep and goats. Sheep have a copper requirement, but they simply do not need too much.
- Contains natural vegetable proteins, NO animal protein sources are used.
- Fortified with vitamins and trace minerals.
- Reliable results can be expected with this consistent quality feed.

Guaranteed Analysis

Crude Protein*	Min	14.00%
Crude Fat	Min	3.00%
Crude Fiber	Max	19.00%
Calcium	Min	1.25%
Calcium	Max	1.75%
Phosphorus	Min	0.35%
Salt	Min	0.75%
Salt	Max	1.25%
Magnesium	Min	0.20%
Potassium	Min	0.70%
Zinc	Min	150 ppm
Copper	Min	8 ppm
Copper	Max	20 ppm
Selenium	Min	0.30 ppm
Vitamin A	Min	3,500 IU/lb
Vitamin D	Min	750 IU/lb
Vitamin E	Min	10 IU/lb

*The maximum crude protein from non-protein nitrogen is 1.70%
